Dear Mr Kündig,

RESIDENCE APPEAL AAS16438 –

The Board encloses its decision in respect of its consideration of Mrs
appeal of 17 November 2009 against the decline of her
application for residence by Immigration New Zealand.

Under section 18D(1)(f) of the Immigration Act 1987, the Board found that
the Immigration New Zealand decision to decline the application was
correct but has recommended to the Minister of Immigration that your
client's special circumstances are such as to warrant consideration as an
exception to policy. The Minister must now decide whether to grant
residence as an exception to policy, and you will be advised of the
Minister's decision in due course.

Yours sincerely,

Philip Bradley
on behalf of the
