

The Black Friday Society
How to become a Defender Member

13.10.1307

A long, long time ago in a quiet little place there was founded a **Society** whose members were dedicated to the promotion and encouragement of all that is **Good**. That **Society** was called **The Black Friday Society**. It has continued in existence down through the centuries to the present day.

Membership in the **Society** is open to any **Good Person** regardless of race, religion, colour or origin. All that is required for a **Good Person** to become a **Defender Member** of the **Society** is to:

- Complete **The First Ritual**
- Complete **The Second Ritual**

The First Ritual

The First Ritual requires you to travel to the **Colibri Bar** in Zürich, Switzerland, located at 2 Spitalgasse, Hirschenplatz, Niederdorf. You must arrive there while the **Colibri Bar** is open and once you are there you must ask to see "Burim". Burim is the present-day **Keeper**. Once Burim is in front of you, you must then say **The Phrase** to Burim. **The Phrase** is "***Friday The Thirteenth***". The **Keeper** will then give you **The Reply**. You have now completed **The First Ritual**. If you wish you may purchase a beverage, alcoholic or otherwise, from **The Keeper**. Make absolutely sure that you remember the three

words of **The Reply** because you will be asked what they are, as part of **The Second Ritual**.

The Second Ritual

Once you have completed **The First Ritual** you can now proceed to complete **The Second Ritual**. **The Second Ritual** requires you to make **The Donation**. **The Donation** involves you making a donation of at least US\$10 in value to any charitable organisation of your choice. As long as the donation amount is at least US\$10 you have completed your obligation under the **Society's** rules but you are free to make donations of a greater value if you wish. Once you have made **The Donation** you must then send a scanned copy of a receipt from the charitable organisation to which **The Donation** has been made, confirming that you have indeed made a donation, to the following email address: **pwk@kundigassociates.co.nz** .

When you email your donation receipt to the foregoing email address you must include the answer to this question:

“What are the three words contained in **The Reply**?

Once you have emailed the receipt to the foregoing email address and answered the question about **The Reply**, you have completed **The Second Ritual** and you are eligible to become a **Defender Member** of **The Black Friday Society**. Please make sure that the receipt that you send to the foregoing email address has the identifying/contact details of the charitable organisation and records *your name* on the receipt.

The Certificate

Once you have emailed the receipt from the charitable organisation to the email address shown above you will be sent a scanned copy of a **Black Friday Society** membership certificate confirming your admission as a **Defender Member** of the **The Black Friday Society**. You will then be henceforth permanently required to **Do Only Good**.
