Kundig Associates Service

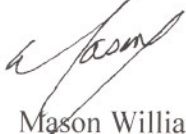

Dear Adele:

Several years ago, when my wife and I decided to seek permanent residence in New Zealand, we didn't know where to start. A prominent attorney in Christchurch suggested that we contact your Firm; the best thing we ever did.

Your Firm walked us through each step of the process, helping us compile the various information and documents we needed. While the entire process is complicated and time-consuming, your Firm made it easy! We sailed through all the different steps without any problems, and are proud to say that we are now residents of your beautiful country.

We would strongly recommend your Firm to anyone in need of immigration services. You met and exceeded our expectations.

Sincerely,

Mason Williams
