Dear

**Application for a residence class visa for:**

**Applicant:**

**Date of birth:**

21 June 19

12 April 19

04 August

30 October

**Our decision on your application**

I am pleased to tell you that your application for a New Zealand resident visa has been approved in principle.

**When will we grant your resident visa?**

We will grant your resident visa when you have met the requirements set out in the following paragraphs.

**Passport**

You need to send us a valid passport or travel document so that we can grant your first resident visa.

**Migrant levy**

You need to pay a migrant levy of NZ\$1240 in total. The levy is NZ\$310 for people aged 5 and over, and NZ\$155 for children under 5 years of age. If there are more than four people included in a single application, the migrant levy is only payable by the four oldest family members.

The migrant levy is a one-off payment used to help fund programmes that assist the successful settlement of migrants. Levy funds contribute towards:

- the Settlement Support New Zealand initiative;
- research into settlement issues and impacts of immigration;
- the Language Line telephone interpreting service, the Citizens Advice Bureau Language Link service, and the Migrant Employment Assistance service; and
- English for Speakers of Other Languages (ESOL) tuition for adults and children.

**Please send your passport and migrant levy by 16 January 2013.**

You must send your passport and fees by this date. Your passport must have at least one valid, clean page in it so that we can grant your visa. This does not include 'endorsement' pages – we cannot grant visas on these pages.

Immigration New Zealand may decline your application if you do not meet these requirements. Please contact us if you cannot meet these requirements by the above date.

**Importing your car, boat, and/or household items**

You may be able to bring your car, boat, and/or household items to New Zealand free of customs charges. For detailed information on restrictions, and to find out if you must pay customs charges, see the New Zealand Customs Service website [www.customs.govt.nz](http://www.customs.govt.nz). For enquiries, telephone 0800 428 786 (within New Zealand) or +64 9 300 5399 (outside New Zealand), or email [feedback@customs.govt.nz](mailto:feedback@customs.govt.nz).

**What happens if your circumstances change?**

You must tell us about any changes to your circumstances including:

- changes to the personal or family circumstances of any person included in the application
- changes to your address or contact details (including postal address, email address, and telephone number)

If you do not tell us about changes to your circumstances, we may decline to grant you a visa or you may become liable for deportation. While you are in New Zealand, you must hold a valid visa at all times.

**Immigration Act 2009**

Immigration New Zealand (INZ) has changed the terminology it uses. From 29 November 2010, we will use the term visa to mean the authority to travel to New Zealand and stay in New Zealand. We have made this change because of the new Immigration Act 2009. If you applied for a permit before 29 November 2010, any correspondence sent by INZ will now refer to a visa. This change will not affect your immigration status.

For more information on this change and other Immigration Act 2009 changes please see [www.immigration.govt.nz/act](http://www.immigration.govt.nz/act).
